What is the Truth? This was the burning question that led Nikki Kingsley on her journey to Christianity. Nikki arrived in America at the age of thirty with her two young children, seeking freedom from an arranged marriage and discovered the promise found in the dream called America. Nikki's life went through a dramatic turn when she had an extraordinary series of mystical experiences. These events prompted her to question and reconsider her faith that she had practiced for 40 years. Ultimately, this led Nikki to The Truth in the person of Jesus Christ. A compelling speaker, Nikki now shares her life-changing story of faith and hope--a story of a journey from the culture, faith, and traditions of the East to the freedom of the West. Nikki Kingsley's dynamic account provides insight of her faith journey from darkness to light.
